## Education

**Bachelor of Technology (B. Tech)**  
**Computer Science and Business Systems**  
**(Semester VI) [9.52 CGPA]**

**August 2022 – June 2026**

## Technical Skills

- **Programming:** Python | C | C++ | JS | TS
- **Web & Backend:** React | Next.js | Django | HTML/CSS | Tailwind | REST APIs | n8n
- **Databases & Data:** MySQL | SQLite | Power BI | Tableau | Matplotlib
- **AI & Cloud:** CV | NLP | ML | Docker | CI/CD | Git | GitHub
- **Practices:** DSA | Agile/Scrum | Testing | Debugging
- **Soft Skills:** Leadership | Collaboration | Problem-Solving | Communication | Adaptability

## Experience & Accomplishment

**HOTBIT – Hotbit Infotech Pvt Ltd.**

**June 2025 – August 2025**

**Software and Data Intern**

**Indore [On-site]**

- Automated validation of 10k+ records with Python, **cutting errors 85%**.
- Built log utility for 1,500+ entries, **reducing detection time 20%**.
- Created 6 dashboards (Matplotlib/Excel) to track weekly performance trends

**IMUN – INTERNATIONAL MODEL UNITED NATION**

**March 2022 – April 2023**

**Head of Software & IT domain**

**India [remote]**

- Built responsive website (HTML/CSS/JS), boosting event **engagement by 30%**.
- Deployed optimized site with **faster load time**, improving participant satisfaction.
- Led outreach & coordination, driving **20% higher registrations** than last edition.

## Projects

**D'deepfake analyzer**

[Live Demo](#)

**AI-enabled Deepfake Detection System**

- Deepfake detection system using CV models, processing 300+ frames/job.
- Optimized with async architecture, achieving 90%+ accuracy & 40% lower latency.

**D'Nifty.ai**

[Live Demo](#)

**AI-driven Stock Forecasting & Analytics Platform**

- Built full-stack NIFTY50 forecast platform (Next.js, React, Tailwind).
- Trained on 10k+ records/sec, achieving 68% prediction accuracy.

**D'NeonSpend.ai**

[Live Demo](#)

**OCR-powered Smart Expense Tracking Application**

- AI-powered expense tracker (OCR/NLP) with 92%+ parsing accuracy.
- Delivered instant insights via dashboards, tested on 100+ receipts.

## Achievements & Certificates

### Achievements

- *Runners-up | Social Transformation Exhibition*
- *Led IMUN IT | +30% engagement | +20% registrations*
- *Solved 500+ problems on LeetCode | Top 10% weekly contests*
- *Organized IMUN | 1,000+ participants | 20+ countries*

### Certificates

- HP LIFE DATA ANALYTICS - [CERTIFICATE](#)
- TATA – GEN AI POWERED DATA ANALYTICS - [CERTIFICATE](#)
- SOFTWARE AND DATA INTERN @ Hotbit - [CERTIFICATE](#)
- CLOUD IOT EDGE ML - [CERTIFICATE](#)
- ADVANCED PYTHON - [CERTIFICATE](#)
